

CHILDREN:

THE NEXT GENERATION OF LEADERS

We pray for the children around the world, specifically this month for those in Tanzania where translators are now beginning the process of translation into the Sumbwa, Kara, and Datoga Taturu languages.

As a school year begins...

As a school year begins, we know there is urgency to getting God's Word into their hands. Encourage these young ones, provide faith-filled educators for their studies and spiritual guidance.

PRAY:

Lord, continue to break down barriers that stand in the way of getting Your Word to Tanzania and to all people. Equip and empower translation teams diligently working so that Scripture can shine brightly in the lives of the next generation.
